Mr. Henry D'Malley,
1217 L. C. Smith Building,
Seattle, Washington.

Dear Mr. O'Malley:

Referring to my letter of January 18, the following companies have not yet been heard from:

Alaska Reduction Co. (This concern operated two plants, one near Petersburg and one at Hawk Inlet. George Scott was in active charge of both.)

Inland Sea Packing Co. (This company operated a reduction plant at Port Conclusion and prepared a considerable quantity of oil and fertilizer from herring.)

Patten & Hibbs. (Mildcurers at Port Alexander last summer.)

✓ Alaska Ocean Food Co.

Alaska Sea Food Products Co.

Kuskokwim Fishing & Transportation Co.

Everett Pacific Fisheries, Everett, Wash. (This company packed a large quantity of herring at its plant in Thumb Bay, near Latouche, in central Alaska.

The office is exceedingly desirous of having reports from these companies at the earliest possible date. It will be appreciated if you will again remind them of that fact.

Very truly yours,

Harold J. Bower.

Mr. M. J. O'Connor,
Bureau of Fisheries,
Juneau, Alaska.

Dear Mr. O'Connor:

Herewith is copy of a letter just received at this office which undertakes to show that the Trout Fisheries Company did not operate in Alaska in 1920. I recall distinctly that customs records for 1920 show that this company exported a considerable quantity of fish, at least the shipments were made in the name of this company.

I believe that the Bureau is disposed to take Mr. Monson's word that the company did not operate. Such being the case, there is nothing further for us to do in the matter, so you can mark it as having been heard from. No further correspondence with it will therefore be necessary.

If you have opportunity, and will do so, I should like you to look over the sheets of data taken from the export declarations before my departure from Juneau, and send me a memorandum of just what shipments were made in the name of the Trout Fisheries Company. This is not an important matter, so you need not go to any trouble in getting out the information for me.

Very truly yours,
